

About the Westport Fair

The Westport Fair was established in 1955, under the leadership of Thomas McGarr (Voc-Ag Instructor) and Harold S. Wood (Principal), along with the support of the Westport High School Committee. The purpose of the fair was to promote agriculture in the town, and to show projects that the vocational students had completed. As time went on, it became the social event of the summer with many people looking forward to its arrival each year.

In 1984, we purchased land on Pine Hill Road that became the new home of the Westport Fair

In 2000, after nine years of negotiation, the Westport Fair purchased the 50 foot roadway between the fairgrounds and the north parking lot as well as a house lot in the northeast corner of the north parking lot. This additional land combined to make a total of 20 acres and will allow for a modest expansion of the fairgrounds for exhibitors

Our newest project is the renovation of the former Central Village Post Office. The building was moved and placed on a foundation last year. We plan to use the space inside the old post office to display antique farm items, old fair posters, programs, and other fair memorabilia.

Also for 2003, the west fence was extended to create a new space for the carnival.

This year marks the 51st annual summer fair. There will be live entertainment, a carnival, craft tent, great food, tractor pulls, and much, much more.

Admission

Admission is \$3 on July 18 & 19, \$4 on July 20, \$5 on July 21, and \$4 on July 22. Children under 12 are free. The money raised by the fair is used to operate the fair, reinvest in the fairgrounds, student scholarships, and other donations to the town. The fair is a non-profit organization.

The 2007 Westport Fair Schedule

Additional Daily Attractions

Antique Exhibits

*Livestock Exhibits
